

MARIN'S FAMILY PRAYER LETTER

Monday 1st. November 2021

Mexico City

Caesar, servant of Jesus Christ], to those called, loved] in God the Father and kept for Jesus Christ Mercy, peace and love be multiplied to you. (Jude 1: 1)

What a pleasure and blessing to share with each and every one of you the wonders of God in our lives and the church in which we serve, Nohemí and I in the Ajusco.

Family:

In September Nohemí fell ill with laryngitis and later Augusto and Abraham. When they were already coming out of the disease. I got bronchitis, I couldn't breathe well I took the Covid-19 test, thank God it was negative, I didn't attend church for two weeks. I still have sequels and I get a cough from time to time.

In this month on September 15 in Mexico the independence of Mexico is celebrated.

Now we are all much better, the boys studying in a "hybrid" way (face-to-face and virtual), Nohemí with making bread and I collaborating in everything that I can with them and my responsibilities in the church.

In October God allowed me to fulfill one more year of life and I thank him very much for his love, patience and company with me every day.

Earthquake in Mexico City

On Tuesday September 7 at 8:40 pm, in the middle of a heavy rain, we were surprised with a 7.1 degree earthquake. Thank God there were no disasters or missing persons, only the scare and the wet because we immediately went out to the street to protect ourselves.

Training:

I continue with my growth, updating and biblical and theological development. In these months I am studying the book of Isaiah via zoom with other pastors from the US, Brazil, Spain and Mexico, I also took a diploma in Bible and a course on the Fullness of the Holy Spirit. I thank God for the opportunity to continue my spiritual and cognitive growth from his beloved word of life.

I finished the 3rd. Semester in the seminary where I teach with the subject of Christology, for the following period I have been invited to give Panorama of the Old Testament. God has been faithful

Transmissions and Growth Groups:

On Wednesdays I continue giving Bible Study on Facebook Live, now watching the psalms. We pray every Friday with the brothers and sisters of the church, and in the Growth Groups we were studying a book called 31 Forms of Christian Service, where we learned and practiced "one another" in the New Testament. Each class was very blessed and challenging.

MARIN'S FAMILY PRAYER LETTER

Church activities:

October was a month of great blessing for the church and we as a family, this month the men attended the men's congress of the Network, we carried out 31 days of evangelism and missions, we adorned with flags of some countries, each brother chose a country to Pray for him during this month and on October 24, each one shared a typical meal of the country for which he prayed in that month, likewise we prayed for ethnic groups not reached by the gospel and we collected a special offering that we sent to pastors Aurelio and María Elena Gutiérrez who pastors the Delicias de Jehovah church in Camagüey Cuba. Each one of us was praying for a family close to us that needs God's love and good news of the Gospel, we shared with them and in some cases we supported them with a pantry or an offering.

On October 9, we participated in the baptisms of the network of churches of the Promised Land, Mexico and it was a great blessing and encouragement for all. God save and encourage each day the brothers and sisters who made the decision to follow and serve Jesus Christ with their lives.

Prayer reasons:

Brother Gerardo's health, (he helps in social networks and communication in the church) has serious problems with his back and hyperthyroidism.

For Nohemí, do not be discouraged in the sale of bread because of the low sales. And may God provide new strategies and more clients.

For me, may God continue to guide me in love and wisdom for the growth and development of programs that help the church continue to grow and develop Christian love in their lives.

By Alan, Isaac, Abraham and Augusto. May God give them the ability to get ahead in their studies, and may they grow in love and service to Christ every day.

Because of my brother Luis, he is 63 years old and has spent his entire life in a wheelchair. He has a complicated picture of illness; The enlarged heart, Hypertension, diabetes, and early kidney failure, God help him, reach out for his glory and help my mother who is the one who takes care of him mainly, she is 80 years old.

For the church that every day in its work, study or home, learn to be salt and light in the midst of darkness. And let's reflect the love and salvation of Jesus Christ.

For God's provision to travel to Cuba and share with the churches there, if God allows it in April 2022, so be it.

We are grateful to God for the friendship that unites us, for the constant support of our ministry and his company in prayer for us and the Promised Land church.

The invitation to visit us continues when you like, we will receive you with love and open arms.

In the love of Jesus Christ, his brothers and friends

Nohemí and César Marín
