

Marín's Family

Mexico City on February 28, 2023

Psalm 92:2 The righteous will flourish like the palm tree. It will grow like a cedar in Lebanon.

GRATITUDE

We infinitely thank God for the privilege and responsibility that he gives us to be able to serve him in his work. The gifts and talents that you have provided to my wife, me and our children have been complemented. That fills us with joy and happiness. At the same time, seeing people being transformed by the reconciling and healing power of our Lord Jesus Christ produces fruits of praise and gratitude.

FAMILY

- **Alan** , is in the final stretch of the university, likewise making plans to go looking for work related to his career, while that happens he is applying for a managerial position in the company where he currently works.
- **Isaac** , time has gone by very quickly and this March 19 our son turns 18 and is taking his college exam, we ask for your support in prayer so that he can get a place. As you know in Mexico it is truly a miracle that this happens. Agace Lord your will.
- **Abraham** , everything is going well with him, we just ask for your help in prayer to strengthen his bone system and heal some nodules that appear both in his throat and chest.
- **Augusto** , he is learning to play the drums, please pray a lot for him since he is constantly attacked; physical, verbal, and sexual harassment at school.
- **Mimi** , she is in good health, please pray for her so that God grants her wisdom, understanding and strength to apply it both in the family and in the church with the people she relates to, likewise in her ministry of singing and Music, God help you.
- **Cesar** , may the fruit of the Holy Spirit be real every day in my life. For direction and understanding to disciple my family and the people that God has placed in my responsibility, a lot of wisdom for each counseling talk I give and for physical healing.

CHURCH

Very grateful to God for the growth that we have been seeing in the majority of the people who attend both churches as the word says; " I planted, Apollos watered; but the growth has been given by God." To him be glory and honor.

Pray that God will raise up workers committed to the Lord and his work and that the Lord will grant us wisdom to disciple them.

Javier, 65, and Carmela, 58, arrived at the feet of Jesus Christ in the last days of the year 2022, they remain firm and have been fixing many things in their lives. God has seen them with pleasure and we see his hand in them. Last week they were married civilly and are organizing to get married before our Lord Jesus.

Marín's Family

Pray for the adolescents from both churches who have arrived, as some of them have behavioral problems, cuts on their skin, depression, and drugs.

Remember Juanita, well, she returned to the Ajusco church, pray that God grant her the complete healing of her body and provide her with all her needs. She has a valve in her head and a small tumor, previously removed, but it has been growing again. He is undergoing studies and treatment.

Our sister Chenty, the "granny from the church in Ajusco" we continue to pray for her, she has been diagnosed with Alzheimer's.

Julio is a man who arrived about 3 months ago with his entire family, he arrived sick and his health has deteriorated more and more, pray that God does his will in him.

Amanda is a woman over 60 years of age who in recent weeks has suffered from severe depression in her health.

Manuel and David, two adult men that God is giving me the opportunity to disciple in Iztapalapa.

God allowed me last week to go preach in the tent in Querétaro and a young man from Mozambique who has lived in Mexico for 12 years was "born again" with the gospel message.

Definitely Mimi and I are somewhat busy in the work of our Lord and God, however, we always continue to set aside time to worship Him in secret, likewise we continue to update ourselves, she in the musical area and I, in theological and counseling courses.

Right now in both churches we are studying the letter to the Romans inductively, we are already in chapter 5, and it has been a lot of learning and blessing.

I am about to finish a 12 lesson manual entitled "Planted by the River" that we will see for 3 months in both churches. If you want a copy do not hesitate to request it.

I want to thank my family and myself for your support in all aspects, your accompaniment to our life and ministry is very important. This encourages us to continue. Since the struggle is hard and the task difficult.

Finally, grateful to God for allowing us to celebrate the first year of the church in Iztapalapa on March 18, nothing would give us more pleasure if you accompanied us.

May God fill you with his grace and fill you with rich and abundant blessings.

**With love and gratitude
Nohemi and Cesar Marin**
